

Careers in Cyber Security Student

Tuesday 17 November | 1:30-3:00pm

Open to Australian Students, Teachers, Schools and Parents

DLTV & LifeJourney

REGISTRATION

This webinar is recommended for Australian Students aged Y7-12. Interested schools and teachers can register their classes through: dltv.vic.edu.au/event-40378

OVERVIEW

During the session students will learn about different career paths in cyber security by hearing directly from professionals working in government and the private sector. The webinar will feature people with varied backgrounds and perspectives, sharing their experiences in the field, skills they utilise, projects and advice for students. The last part of the webinar will be an opportunity for students to ask questions and discover resources.
